2l- lokh. So. far as the question of insurance is' concerned, at the moment we do not have any proposal before us.

MR. CHAIRMAN: He has given a suggestion. Will you consider it?

SHRI MALLIKARJUN : No, Sir.

SHRI T. A. MOHAMMED SAQHY: The ordeal of the peop'e going to the Claims Tribunals is greater. The Railway Ministry has fixed a quantum of compensation in cases of deaths and injuries. So, what is the necessity for going to the Tribunals ? As soon as they produce the legal heir certificates from the competent authority, can't the Tribunal or the person concerned pay the amount immediately in order to avoid the ordeal 12.00 NOON of the people going *to* the Tribunals? Sir, going to the Tribunal causes a great hardship to the persons injured in the accidents because it is known that he is injured. So where is the question of proving the accident and other things ? The fatal accident has oc-cured, the identity of the person who died is known then, where is the question of again going to the Tribunal and giving the evidence. This procedure should be simplified. Those who die in the accident, if their relatives get a legal death certificate and produce it before the Station Superintendent or anybody. . .

MR. CHAIRMAN: Question Hour is over.
